

## Start your career at PANTAENIUS!

With more than 90,000 clients and 12 offices in Germany, United Kingdom, Monaco, Spain, Denmark, Sweden, Austria, the United States and Australia, PANTAENIUS has become the number one worldwide for yacht insurance and has a proven company track record of more than 100 years. Over 350 employees are working for the traditional family owned business.

For our team in the Hamburg Headquarter we are looking for a fulltime (40h/week)

### Junior Subsidiary Manager (strategic) (m/f)

#### Key Tasks and Responsibilities

- Creating and improving growth strategies for our international subsidiaries
- Participate in international in-house-consulting projects for our local- and global management
- Preparation and presentation of your own PowerPoint presentations for the management
- Together with senior managers, support the sales and strategy parts of the company
- Support various projects involving corporate development
- Market research with focus on the boating- and insurance industries

#### Your Profile

- Recent graduate or graduation soon in Business Engineering, Business Administration, Economics or equivalent in respect to the required field of application
- Enthusiasm to travel internationally
- Passion for sales and business strategies
- Good spoken and written English skills, as you will work (and travel) in an international environment
- Excellent Microsoft Office skills, especially Excel and PowerPoint
- Proactive and task-oriented working style and strong team player mentality
- Ideally knowledge of the insurance business
- Ideally enthusiasm for boating (motor or sail)

#### Our Offer

- A challenging task with a lot of potential to design and create new business opportunities
- A monthly pass to use public transport or alternatively a travel allowance
- A modern office within the Hamburg HafenCity and professional development opportunities

Please send your CV, certificates, references and cover letter stating your desired start date and salary expectation to [recruiting@pantaenius.com](mailto:recruiting@pantaenius.com). Kindly attach your documents in two PDF versions at most.

**We are looking forward to receiving your application!**

Application period:  
Start of employment:

until 30. November 2017  
ideally 1. January 2018
